Terms

Don not share this file or copy any part of it (written instructions or photos) to any site or social media. To share this pattern, use [this link](#).

How to use the chart

- Start with 20 chains
- Empty squares = single crochet
- Colored squares = bubble stitch
- Ch 1 before you start any row

Common problems

The letter is wrong or overturned

It happened if you start a row from the wrong direction. If the row number is on the right start from the right and vice versa.

Full written instructions

You can read the full written instructions and how to crochet around the edges in this link.
